Dear FOIA Coordinator:

This is a request filed under the Freedom of Information/Privacy Acts.

I am requesting a copy of the 9/11 report by I.G. John Helgerson; and any and all I.G. reports or other documents relating to investigations of "rendition" and the treatment of post-September 11 detainees anywhere in the world by CIA employees or contractors.

I am also requesting any inter- or intra-Agency cables, emails, memos, notes or other communications, including memorializations of phone calls, on these topics. I also request any and all documents such as but not limited to the genres of documents referenced above mentioning Vice President Cheney and his aides.

I am also requesting copies of any and all reports relating to the Niger-Yellowcake matter and former Ambassador Wilson's trip relating to it.

In order to help to determine my status to assess fees, you should know that I am a representative of the news media, and this request is made as part of news gathering for TIME Magazine and not for a commercial use. Thus, I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. If this is not granted I am willing to pay fees for this request up to a maximum of \$200. If you estimate that the fees will exceed this limit, please contact me by phone to discuss it first.

I also request that you forward me any and all documents recovered under this request on a piecemeal basis, rather than waiting for the entire search to be conducted.

I also request copies of any of these items which may be being produced under any prior FOI/PA requests, and that they be delivered to me concurrently with any document delivery made under other FOI/PA requests, and I request copies of those requests themselves.

Thank you for your consideration.

Sincerely,

[Redacted signature block]

correspondent
